## Photo Release Form

With the growth and prominence of Web Pages, advertisements, and social networking sites, we at McGuire United Methodist Church understand their use in a holistic and positive way. We know that with the great freedom the internet provides others do not always understand this responsibility. We are asking for permission to utilize pictures of the youth in publications, including electronic publications, or in audiovisual presentations, promotional literature, advertising, or in other similar ways. As beautiful creations of God we want to uphold the humanity of our young people and as always make sure McGuire is a safe place.

I, \_\_\_\_\_, (Parent/guardian) of \_\_\_\_\_ (child), hereby give McGuire United Methodist Church and their legal representatives and assigns, the right and permission to publish, without charge, photographs or videos taken during Church functions.
